

Sunset[®]

Plant Collection

**Easy
Outdoor
Living™**

FEATURE

Large lavender flowers
on dark stems

Growth Rate

Fast

Water

Low water needs once
established, Water-wise

Soil

Tolerates a wide
range of soils

Fertilizer

Fertilize yearly in spring

Pruning

Shape in late winter

Summertime Blues™

CHASTE TREE

We love chaste trees for their ability to take tough conditions (heat, drought, full sun), but they normally get very large. This butterfly and bumblebee magnet is shrub size, with sterile flowers (so no weedy seedlings to worry about). Deciduous.
