

'Little Miss Sunshine'

CISTUS

Rockrose corbariensis 'Little Miss Sunshine' PP22364

We love Cistus. Poor soil, drought, salt, wind, heat...They take it all! Add deer, pest, and fire resistance, what's not to love? This new charmer stays compact without pruning, and even looks great when not in bloom. Works well as a border plant, or in containers.

EXPOSURE	USDA ZONES	SUNSET ZONES	DIMENSIONS
Full sun	Hardy to 10°F, zones 8-10	5-9,14-24, 26, 28, 31	12-24 in Height x 12-18 in Width
