

Sunset[®]

Plant Collection

**Easy
Outdoor
Living™**

Attracts
Pollinators

FEATURE

Purple flowers mid-spring to mid-fall

Growth Rate

Fast

Water

Regularly until established, then medium water needs

Soil

Well-drained garden soil

Fertilizer

Fertilize yearly in early spring

Pruning

Reblooming will be heavier if old flowers are removed. Can cut back hard in early spring to keep shorter.

Nectar Purple™

SALVIA

Another great Salvia option for the mid to back of borders or containers. Loved by bees, butterflies, and hummingbirds.

Deer resistant and heavy blooming until frost.
