

Sunset[®]

Plant Collection

**Easy
Outdoor
Living™**

FEATURE

Showy clusters of yellow blooms with maroon throats spring through fall

Growth Rate

Moderate spring to fall

Water

Low water needs once established, Water-wise

Soil

Tolerates most well-drained soils

Fertilizer

Fertilize throughout growing season

Pruning

Semi-deciduous; in colder climates, plants will die back after a hard frost. Can prune in late spring.

Sparklette™

TECOMA

Sparklette is a cheerful addition to water-wise and pollinator gardens. More compact and longer blooming than most Tecomas. Hummingbird magnets.
